Conclusion:

What is your view of SIN? Your own sin. The sin around you.

What is your view of FORGIVENESS?

It is cheap? Based on merit? Possible?

What is your view of HEART DEVOTION to your Lord?

Beyond reach? For another day? Like a diet ... purely your own effort?

What is your view of REPENTANCE?

How do you know when it's necessary?

What happens when you rationalize it away or put it off?

What is your view of CHRIST'S SUPREMACY?

Do you love anyone or anything more than Him?

Do you trust anyone or anything more than Him?

Do you serve anyone or anything more than Him?

Discussion Questions:

1. How does your view of sin affect your view of repentance?

2. How does your view of forgiveness affect your view of heart devotion to the Lord?

3. How does your view of Christ's supremacy affect all of your other views?
