## **DOCTRINE Sermon Discussion Questions**

1. Before next Lord's Day, explain 3 of the 6 doctrines to someone else. (Preferably a child!) Explain until that person understands the 3 doctrines.

2. Why is grace absent in world religions other than biblical Christianity? Does grace rub some persons the wrong way? Why? \_\_\_\_\_

3. What would it be like if you weren't sure that God keeps you perfectly safe in your salvation? What would it be like if you believed that you could lose your salvation?
