DISCUSSION QUESTIONS:

1. This week ask a person in our church what freedom is to them.

This week also ask a person outside of salvation what freedom is to them. Are the two answers suitably different? If they aren't, why would that be?

2. False Teachers are false Christians. How do you spot a false Christian?

3. Has the Lord changed you from being a pig or a dog to being a sheep?
What specific ways does your life show that you are now one of
Christ's sheep? What are some indicators that you have a new nature?
