DISCUSSION QUESTIONS:

1. By the biblical definitions of a *of a sincere mind* (given in this sermon), is your mind "*sincere*"? When was the last time that the Bible stirred your mind to waking up and acting right? *Be specific.*

2. Have you seen a believer argue against a mocker effectively using Scripture? Have you ever done so? If you have, this week tell someone about what happened.

3. Can a believer deny that Genesis Chapters 1-2 (The Creation) and Chapters 6-9 (The Flood) are truthful history get any of the rest of the Bible right? Why?
